TESIS

Introduced by **MILDRED BERBERENA** Dept. of CMLLC

TUESDAY, MARCH 23, 2010 4:00 PM 368 MANOOGIAN HALL

Searching for research material for her thesis on audio-visual violence, Ángela attains the friendship of Chema, a fellow student and introvert with an encyclopedic collection of violent and pornographic films. After her professor dies while watching a film, Angela steals the videotape, discovering that it is a snuff film featuring a girl whom Chema recognizes as a former student at the university. Investigating the origins of the tape, they are drawn into the operations of a chilling snuff ring.
