(once you are born you can no longer hide)

A young boy named Sandro, who comes from a privileged family, goes boating with his father, falls overboard and is lost at sea. When he is rescued by a ship carrying immigrant hopefuls to Italy, his family's eyes are opened to a world of difficulties about which they knew nothing before. Giordana, director of the immensely popular epic drama *La meglio gioventù*, turns his attention to the various problems associated with immigration in contemporary Italy.
