An unlikely pair of outlaws take to the highway and become criminal folk heroes in this satiric comedy. Jose is a 70-year-old anarchist who deposited $15,000 in a bank 20 years ago and wants to withdraw the money; however, he doesn't have the paperwork, and the bank staff keeps giving him the runaround. So he takes drastic measures: he arrives at the bank one day with a gun, and, pointing the pistol at his head, he announces that he'll blow his brains out if he doesn't get his money.
