“Night Before Exams”

NOTTE PRIMA DEGLI ESAMI

Directed by *FAUSTO BRIZZI*

100 min Italian with English subtitles

Released in Italy in 2006

Introduction by Pierluigi Erbaggio

Dept. of CMLLC

At a party, Luca falls in love with an extroverted yet mysterious girl, Claudia. He only knows her name and has no clue about her family. Meanwhile, he is also desperately trying to get back in favour with his literature teacher, who will be the teacher sitting in on his oral exams. An homage to it's entire decade, this teen comedy set in 1989 follows a group of four friends whose problems mount as they approach their final high school exam.
